1. Christmas time is coming, it's coming all too soon.
 I've got to wrap the presents and blow up the balloons.
 The turkey's in the oven, the crackers in the box,
 the Christmas cake needs icing, I haven't ironed my socks!
Bubblegum and fluff...
2. Christmas is a hassle, there's so much left to do,
 the tree is bare, no tinsel, the lights are not up too.
 My sister keeps on asking, "what present have I got?"
 Why is it that we celebrate? What is this all about?
Bubblegum and fluff...
3. "Love came down at Christmas" my granny used to sing,
 she told me about Jesus, the baby who was King.
 That Jesus made a diff'rence: he showed us how to love.
 On Christmas Day remember God's son was born for us.
