36 choi-ces! What are we going to do? Choices, choices, choi-ces! So many from which to choose.

Choices, choices, choices!

Choices, choices, choices!

What are we going to do?

Choices, choices, choices!

So many from which to choose.

1. Will we store up our riches for the future,
build a barn and hide them away?
Will we give what we have to help others,
share our gifts and our time every day?

Choices, choices...

2. If we see a man lyin' on the pavement,
will we walk by on the other side?
Will we find an excuse to leave him
or stop, lift him up and walk beside?

Choices, choices...

So listen up! And choose right!

Jesus has so much to say.

So listen up! And choose right!

And follow Jesus' Way!

Choices, choices...

3. If we've made a bad choice like the farmer's son –
no money, no friends, no place to go –
will we pretend everything is just fine
or return to the one who loves us so?
