1. Love inspired the anger
That cleared a temple court,
Overturned the wisdom
Which their greed had wrought.

2. Love inspired the anger
That set the leper free
From the legal strictures
That brought misery.

3. Love inspired the anger
That cursed a viper's brood:
Set on domination,
Self with God confused.

4. Love inspires the anger
That curses poverty,
Preaches life's enrichment,
Seeks equality.

5. Love inspires the anger
That still can set us free
From the world's conventions
Bringing liberty.
