Verse

There are times when we feel good, we want to dance and shout, 'All right!' —
 There are times when we feel sad, but Je - sus keeps us in sight. —

— We're go - nna

*We're gonna jump, jump jump
 jump to praise the God of life,
 stomp, stomp, stomp,
 on the ground,
 we're gonna clap, clap, clap,
 clap our hands together now
 sing a song of love
 that will make a loud sound.*

1. There are times when we feel good,
 we want to dance and shout, "All right!"
 There are times when we feel sad,
 but Jesus keeps us in sight.
We're gonna jump...
2. There are times when we feel bad,
 we just don't care to do what's right.
 But when Jesus is our friend
 we love with all of our might.
We're gonna jump...
